Design Process

3 Concept & Sketch...
We sketch out our ideas to get the best visual solution & we settle on best visual design idea as per your requirement.
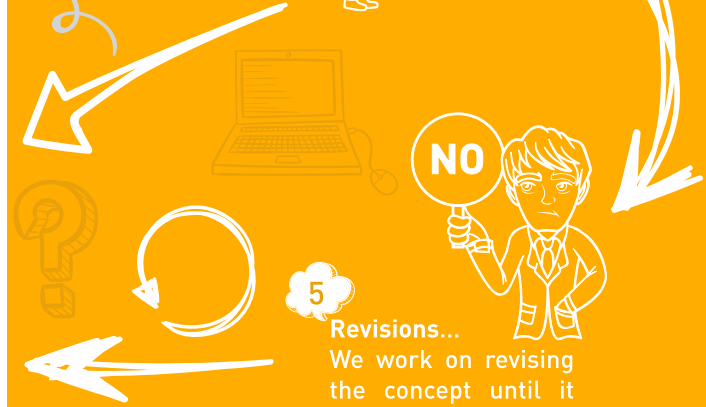

4 Present...
We present our ideas, the rationale behind each idea & why they would be your success

5 Selection...
We work on your selected design to refine and finalize.

YES

NO

5 Revisions...
We work on revising the concept until it meets your likings.

1 Meet...
We meet & learn about your business & set goals about your project.

2 Research...
We use books/internet to learn about your industry & your competitors to get you the best visual representation possible.

6 Deliver...
Once we're good to go, we deliver you the files.
